Title VI Language Assistance Plan

Limited English Proficiency Plan
STARR COUNTY TRANSPORTATION

INTRODUCTION

This *Limited English Proficiency Plan* has been prepared to address the *STARR COUNTY TRANSPORTATION* responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English proficiency language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq, and its implementing regulations, which states that no person shall be subjected to discrimination on the basis of race, color, or national origin.

Executive Order 13166, titled *Improving Access to Services for Persons with Limited English Proficiency*, indicates that differing treatment based upon a person's inability to speak, read, write or understands English is a type of national origin discrimination. It directs each agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds, including *STARR COUNTY TRANSPORTATION* departments receiving federal grant funds.

Plan Summary

The *STARR COUNTY TRANSPORTATION* has developed this *Limited English Proficiency Plan* to help identify reasonable steps for providing language assistance to persons with limited English proficiency (LEP) who wish to access services provided. As defines Executive Order 13166.

LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

In order to prepare this plan, the *STARR COUNTY TRANSPORTATION* used the four-factor LEP analysis which considers the following factors.

1. The number or proportion of LEP persons in the service area who may be served by the *STARR COUNTY TRANSPORTATION*.
2. The frequency with which LEP persons come in contact with *STARR COUNTY TRANSPORTATION* services.
3. The nature and importance of services provided by the *STARR COUNTY TRANSPORTATION* to the LEP population.
4. The interpretation services available to the *STARR COUNTY TRANSPORTATION* and overall cost to provide LEP assistance.

A summary of the results of the four-factor analysis is in the following section:

MEANINGFUL ACCESS: FOUR-FACTOR ANALYSIS

1. The number or proportion of LEP persons in the service area who may be served or are likely to require *STARR COUNTY TRANSPORTATION* services.

The *STARR COUNTY TRANSPORTATION* staff reviewed the American Community Survey U.S. Census Report and determined that 55,496 persons in *STARR COUNTY TRANSPORTATION* [95.6%] of the population speak a language other than English. Of those 27,906 persons [50.3%] have limited English proficiency; that is, they speak English “not well” or “not at all” this is only more than ½ of the overall population in the service area.

2. In *STARR COUNTY TRANSPORTATION* service area, of those persons with limited English proficiency, 53,004 speak Spanish, 56 speak Indo-European, and 17 speak Asian or other Pacific Islander Languages.
3. The Frequency with which LEP persons come in contact with *STARR COUNTY TRANSPORTATION* services. The *STARR COUNTY TRANSPORTATION* staff reviewed the frequency with which the board/council, office and staff and bus/van drivers have, or could have, contact with LEP persons. This includes documenting phone inquiries or office visits. To date, the *STARR COUNTY TRANSPORTATION* has had no requests for interpreters and no requests for translated program documents. The board/council, office staff and bus/van drivers have daily contact with LEP persons.
4. The nature in importance of services provided by the *STARR COUNTY TRANSPORTATION* to the LEP population. There is a large geographic concentration of any type of LEP individuals in the service area for the *STARR COUNTY TRANSPORTATION*. The overwhelming majority of the population, 95.6% speaks only Spanish.
5. There are few social services professional and leadership organizations within the *STARR COUNTY TRANSPORTATION* service area that focus on outreach to LEP individuals. The *STARR COUNTY TRANSPORTATION* board/council, office staff and bus/van drivers are most likely to encounter LEP individuals through bus/van rides, office visits, phone conversations and attendance at Board/Council meetings.

LANGUAGE ASSISTANCE

A person who does not speak English as their primary language and who has a limited ability to read, write, speak, or understand English may be a Limited English Proficient person and may be entitled to language assistance with respect to *STARR COUNTY TRANSPORTATION* services.

Language assistance can include interpretation, which means oral or spoken transfer of a message from one language into another language and/or translation, which means the written transfer of a message from one language to another language.

How the *STARR COUNTY TRANSPORTATION* staff may identify an LEP person who needs language assistance:

- Post notice of LEP Plan and availability of interpretation or translation services free of charge in languages LEP persons would understand.
- All *STARR COUNTY TRANSPORTATION* staff will be provided with “I Speak” card to assist in identifying the language interpretation needed if the occasion arises.
- All *STARR COUNTY TRANSPORTATION* staff will be informally surveyed periodically on their experience concerning any contacts with LEP persons during the previous year.
- When the *STARR COUNTY TRANSPORTATION* sponsors an informal meeting or event, an advanced public notice of the event should be published including special needs related to offering a translator (LEP) or interpreter (sign language for hearing impaired individuals). Additionally, a staff person may greet participants as they arrive. By informally engaging participants in conversation it is possible to gauge each attendee’s ability to speak and understand English. Although translation may not be able to be provided at the event it will help identify the need for future events.

Language Assistance Measures

Although there is a very low percentage in the *STARR COUNTY TRANSPORTATION* of LEP individuals, that is, people who speak English “not well” or “not at all”, it will strive to offer the following measures:

1. The *STARR COUNTY TRANSPORTATION* staff will take reasonable steps to provide the opportunity for meaningful access to LEP clients who have difficulty communicating English.
2. The following resources will be available to accommodate LEP persons:
 - Staff and drivers who are bilingual.
 - Language interpretation will be accessed for all other languages through telephone interpretation service.

STAFF TRAINING

The following training will be provided to all staff:

- Information on the Title VI Policy and LEP responsibilities.
- Description of language assistance services offered to the public.
- Documentation of language assistance requests.
- How to handle a potential Title VI/LEP complaint.

TRANSLATION OF DOCUMENTS

The *STARR COUNTY TRANSPORTATION* has been/is providing all documents in English & Spanish. Starr County employees are bilingual and therefore are capable of interpreting information inscribed in said documents.

Due to the large local LEP population the *STARR COUNTY TRANSPORTATION* provides a formal outreach procedure in place, as of 2010. Translation resources have been identified in this Region. The *STARR COUNTY TRANSPORTATION* is providing the following:

- When staff prepares a document, or schedules a meeting, for which the target audience is expected to include LEP individuals, then documents, meeting notices, flyers, and agendas are printed in an alternative language based on the known LEP population.

MONITORING

Monitoring and updating the LEP Plan, the *STARR COUNTY TRANSPORTATION* will update the LEP Plan as required. At a minimum, the plan will be reviewed and updated when data from the 2010 U.S. Census is available, or when it is clear that higher concentrations of LEP individuals are present in the *STARR COUNTY TRANSPORTATION* service area. Updates will include the following:

- The number of documented LEP person contacts encountered annually.
- How the needs of LEP person have been addressed.
- Determination of the current LEP population in the service area.
- Determination as to whether the need for translation services has changed.
- Determine whether local language assistance programs have been effective and sufficient to meet the need.

- Determine whether the *STARR COUNTY TRANSPORTATION* financial resources are sufficient to fund language assistance resources needed.
- Determine whether the *STARR COUNTY TRANSPORTATION* fully complies with the goals of this LEP Plan.
- Determine whether complaints have been received concerning the agency's failure to meet the needs of LEP individuals.
- Maintain a Title VI complaint log, including LEP to determine issues and basis of complaints.

DISSEMINATION OF THE *STARR COUNTY TRANSPORTATION* LEP PLAN

- Post signs at conspicuous and accessible locations notifying LEP persons of the LEP Plan and how to access language services.
- State on agendas and public notices in the language that LEP person would understand and documents are available in that language upon request at 956-716-4800 Ext.8114
